We Love Our Shining Stars Families!

February is a short month for us with Winter Break, but we have a lot going on! With our Winter Singing Program, Valentine's celebrations, and learning about the Olympics, we're going to be busy! February is also National Dental Health Month, so a dentist will be visiting our classrooms to tell students about the importance of brushing and flossing regularly.

Reminders:

• We are assembling relief kits for the people of Haiti who are suffering in the aftermath of a large earthquake last month. We would appreciate donations so our students can put the kits together in class on February 5th. Look for the sign-up sheet outside the preschool door. We are in need of the following items: hand towels, washcloths, combs (not pocket-sized, please), fingernail clippers, bath-size bars of soap, toothbrushes (Adult sized, original wrapper), large tubes of toothpaste, adhesive plastic strip bandages, and 1-gallon ziploc bags. Thank you! And thanks to Community Service Coordinator Marissa Kosiba for coordinating this effort.

Winter Fun!

Above: A recent Preschool Field Trip to go sledding at Willow Creek Park. Thanks to all the Moms and Dads who came to help. What a fun day!
